

Wi-Fi Connection Guide for Guests

1. Connect to the wifi network **public-unil**

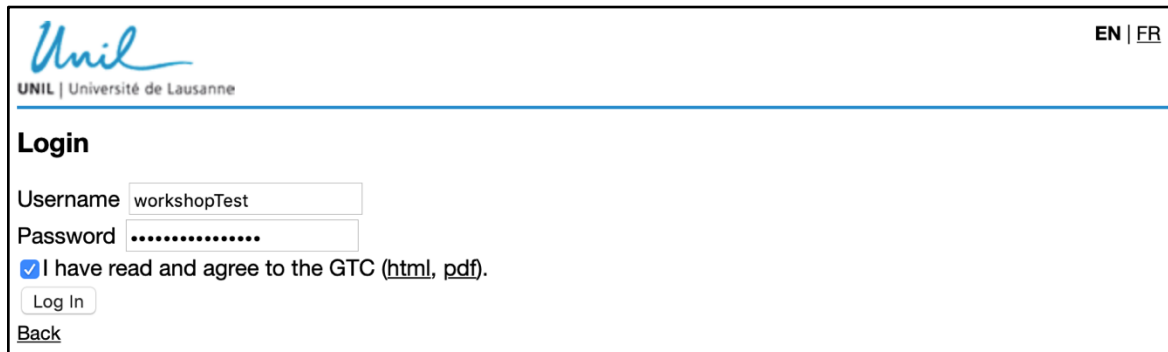

From the pop-up window, choose the Guest option, by clicking on **Login event**

The screenshot shows the 'Public wifi network at University of Lausanne' page. It features the UNIL logo and the text 'UNIL | Université de Lausanne' in the top left, and 'FR | EN' in the top right. The main heading is 'Public wifi network at University of Lausanne'. Below this, there are three columns representing different user types: 'Member of UNIL', 'External person', and 'Guest'. The 'Guest' column is highlighted with a red arrow pointing to the 'Event Login' link.

Member of UNIL	External person	Guest
Please use eduroam Configuration Assistant Tool - eduroam CAT More info	Go to <u>SMS Self-Registration</u>	Go to <u>Event Login</u>

2. Enter the credentials you received in advance, accept the terms and conditions, and click the **Log in** button.

The screenshot shows the 'Login' page. It features the UNIL logo and the text 'UNIL | Université de Lausanne' in the top left, and 'EN | FR' in the top right. The main heading is 'Login'. Below this, there are input fields for 'Username' (containing 'workshopTest') and 'Password' (containing dots). There is a checkbox labeled 'I have read and agree to the GTC (html, pdf)' which is checked. Below the checkbox is a 'Log In' button and a 'Back' link.
