

Program of Workshop
Assembling Cities: STS concepts and methodologies in planning studies
20 - 22 January 2015, ETH Zurich, Main Building, Rämistrasse 101

Tuesday, January 20			Location
15:00 - 17:00	City Tour Zurich	Guided by Oliver Zenklusen	TBA
Wednesday, January 21			
09:00 - 09:15	Opening	Monika Kurath, Jean Ruegg	HG E 42
09:15 - 09:45	Keynote	Anders Blok <i>Assembling urban riskscales: Climate adaptation planning, scales of change, and the politics of expertise in Surat, India</i>	HG E 42
9:45 - 10:15	Keynote	Ignacio Farías <i>Urban Cosmograms: The cosmopolitics of master plans for urban reconstruction</i>	HG E 42
10:15 - 10:45	Discussion	Chaired by Marko Marskamp	HG E 42
10:45 - 11:00	Coffee break		
11:00 - 12:30	Parallel sessions		
Technologies and Artifacts of Planning	Discussants: Anique Hommels and Francisco Klauser Diana Kurkovsky West <i>Data Dreaming: The case of Soviet territorial production complexes</i> Olga Sezneva <i>Master plan, Master land: Reconstruction and redevelopment in Kaliningrad, the former Koenigsberg</i> Matthijs Kouw <i>Smart about cities: Techno-optimism and 21st century urbanism</i> Rider Foley and Lauren Withycombe Keeler <i>Cities, innovation, sustainability and the future of health</i>	HG E33.5	
Practices of Planning Urban Futures	Discussants: Ignacio Farías and Jonathan Metzger Craig Hatcher <i>Assembling legality: the material politics of a "squatter" settlement on the urban periphery</i> Melina Antonakaki and Evgenia Tousi <i>Give us a mobile unit of the Hellenic Centre for Disease Control and Prevention and we can raise the transit city</i> Emma Paulsson <i>Municipal planning practices as complex co-production of fluid and network topologies: The example of removal and non-removal of illegal artworks in public places</i> James Macmillen and Trevor Pinch <i>Urban futurity and the preservation of Detroit sound</i> Julio Da Cruz Paulos <i>Translating factishes into blueprints: an 'in situ' analysis of a cooperative planning workshop in Vienna</i>	HG E33.3	

12:30 - 14:00	Lunch break		
14:00 - 14:30	Keynote	Anique Hommels <i>Re-assembling Cities: Applying SCOT to post-disaster urban change</i>	HG E 42
14:30 - 15:00	Keynote	Francisco Klauser <i>Studying the Smart City in Action: Tensions and complementarities between STS and Michel Foucault</i>	HG E 42
15:00 - 15:30	Discussion	Chaired by Julio Da Cruz Paulos	HG E 42
15:30 - 15:45	Coffee break		
15:45 - 17.15	Parallel sessions		
STS in Use: Methods and Concepts		Discussants: Mattias Kärrholm and Michael Guggenheim Krishna Bharathi <i>Framing the city</i> Jan Silberberger and Ignaz Strebler <i>How to "anonymize" an architectural project? A methodological reflection</i> Dara Ivanova, Iris Wallenburg and Roland Bal <i>Obduracy and Emotions: A hospital's embeddedness in the city</i> Andreas Putlitz <i>What planners do: Networks of collective action in the Ruhr Area and Grand Lyon</i>	HG E33.5
Participation and Planning a Common City		Discussants: Anders Blok and Jonathan Metzger Joakim Forsemalm <i>Intermediary spacing: Championing the knowledge of everyday life in urban planning</i> Jorge Martin Sainz de los Terreros <i>Public Participation and Eventual Urbanism: A social material enquiry</i> Helena Leino <i>The continuities of participatory urban planning: who are the stakeholders?</i> Guillén Hiram Torres Sepúlveda <i>Tracing the democratic deficit: An ANT view on urban governance networks</i>	HG E33.3
17:15 - 18:00	Discussion		
Thursday, January 22			
9:00 - 9.15		Monika Kurath, Jean Ruegg	HG E 42
9:15 - 9.45	Keynote	Mattias Kärrholm <i>Some notes on time-space territorology</i>	HG E 42
9.45 - 10.15	Keynote	Jonathan Metzger <i>Care-ful approaches to the more-than-human urban collectif: How feminist STS opens up affordances for doing planning differently</i>	HG E 42

10.15 - 10.45	Discussion	Chaired by Jan Silberberger	HG E 42
10.45 - 11.00	Coffee break		
11.00 - 12.30	Parallel sessions		
Planning Discourses and Infrastructures	Discussants: Anique Hommels and Michael Guggenheim Pim Peters <i>Mobile Obduracy in Everyday Practice: A mobile ethnography of London buses and cyclists</i> Markus Maicher and Sebastian Raho <i>Going down the drain: The biopolitics of sewage in Vienna</i> Chiara Fratini and Jens Stissing Jensen <i>The socio-technical framing of urban water in the Capital Region of Denmark</i> Raphaël Stephens <i>Alternative Food Networks: The agro-food system and relocalization: sociotechnical perspectives in Ile-de-France</i>	HG E33.5	
Planning Knowledges and Controversies	Discussants: Anders Blok and Ola Söderström Lucía Liste, Lina Ingebrogrud and Vivian Lagesen <i>Enacting the Cities of the Future through environmental knowledge management</i> Tyson Vaughan <i>Reconstructing communities: locals, experts and knowledges in Japan's participatory recovery planning</i> Elizabeth Rapoport <i>Translating sustainable urbanism: traveling ideas as assemblages</i> Marko Marskamp <i>Things Overlooked: An ANT approach to urban renewal in Rotterdam (NL)</i>	HG E33.3	
12: 30 - 14:00	Lunch break		
14:00 - 14.30	Keynote	Michael Guggenheim <i>Endostructural cosmopolitics: Im/mutable im/mobiles</i>	HG E 42
14:30 - 15:00	Keynote	Ola Söderström <i>Governing at a distance: models, discourses and images in urban development</i>	HG E 42
15:00 - 15:30	Discussion	Chaired by Michaela Schmidt	HG E 42
15:30 - 15:45	Coffee break		
15:45 - 17:15	Discussion	Chaired by Julio Da Cruz Paulos and Marko Marskamp	HG E 42
17:15 - 17:30	Closing	Monika Kurath, Jean Ruegg	HG E 42
